SENATOR KOCH: Mr. President, is the amendment debated?

PRESIDENT: The amendment is adopted.

SENATOR KOCH: Can we debate it?

PRESIDENT: I'll meet you after the session and debate it, but, it wouldn't serve much purpose now. You can debate the advancement if you would like.

SENATOR KOCH: Mr. President, is it possible that I could ask a question of Senator Marsh.

PRESIDENT: Yes.

SENATOR KOCH: Thank you. Senator Marsh, my concern is why are we striking this section when we send it over the Governor in good conscience and then we bring it back. Are you trying to meet his requests or ours?

PRESIDENT: I'm sorry this....

SENATOR MARSH: Senator, please allow...

PRESIDENT: This is....well, but that amendment has already been adopted, and these are questions that is in the nature of argument on a matter that has already been decided. Senator Chambers.

SENATOR CHAMBERS: I move that the call be raised.

PRESIDENT: Question is shall the call be raised. Record your vote. Record.

CLERK: 13 ayes, 24 nays.

PRESIDENT: The call is not raised. Senator Frank Lewis, did you have your light on?

SENATOR F. LEWIS: I have a couple of questions for Senator Marsh now.

PRESIDENT: This is regarding the motion to advance?

SENATOR F. LEWIS: It is regarding the bill and I assume that we can debate the bill when we are debating the issue to advance?

PRESIDENT: No, that is not my understanding of it. The bill has been debated and has been passed on Final Reading. The specific amendment has been adopted and the question is whether to advance it.
